To: Karnell McConnell-Black <kblack@reed.edu>, Gary Granger <grangerg@reed.edu>

Hi Gary and Karnell,

We just got this email to the admission office this morning. Milyon asked me to send it to you two right away, and he's also working on notifying the VP Deans.

Four fertilizer-based explosives. Two around campus (one is buried), one in my car, and one on me. As soon as I detonate the first three, it's guns blazing. If law enforcement manages to trap me then the fourth one on me goes kaboom. I'm hoping for a high kill count today!
